

Jason Newman, Senior Client Service Consultant, EB

Jason works with the Public Entity team at Holmes Murphy. He is responsible for strategic planning, marketing, and implementation of employee benefits, as well as budgeting and performing claims and financial analyses for Public Entity clients. Before joining Holmes Murphy on April 2019, he worked for eight years at Gallagher, another large brokerage firm and for ten years at Unum, a large Group Life/Disability carrier. Jason earned his Bachelor's and Master's degrees from Louisiana State University.
